

CETPA Sponsorship Opportunities

CETPA has always taken great pride in its corporate sponsors. Companies providing quality products and services to our educational community contribute to the success of all learners by creating environments that are safe, productive, and effective. We offer several options for engagement which will connect you directly to the CETPA community and identify you as a strong supporter of CETPA's mission.

CETPA is offering several different types of sponsorship opportunities to help you gain exposure at our annual conference. Book items directly at <http://cetpa.net/2018sponsor>

Mobile App Banners

6-second banner (\$1,000)

15-second banner (\$1,800)

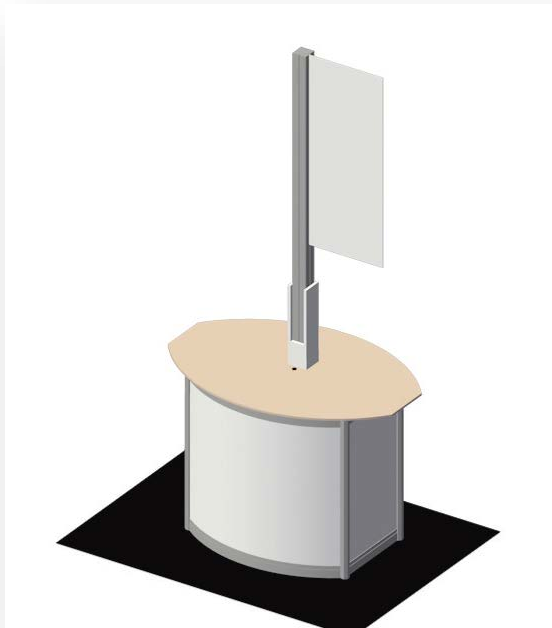

In 2017, we eliminated the printed program which resulted in over 90% of our attendees having used the CETPA mobile event app. CETPA's custom-designed, comprehensive mobile app puts all event information at the attendees' fingertips – anytime, anywhere – with real-time updates provided during the entire conference. Tapping into sponsorship opportunities through the use of the app gives our exhibitors and sponsors the strongest platform to reach attendees during the entire conference. To learn more and reserve a banner, please contact Patti Hoffart at pattih@aosinc.biz or (916) 973-1348.

Charging Station without Lockers (\$3,500)

These charging stations are more social so attendees can talk together while charging. A small counter top with power source and your logo on the front is included.
